Greetings,

Request to forward to your CEO.

Thanks.

Greetings Koji,

May you be doing Well.

After Inviting BMW & Mercedes-Benz, We also thought of Inviting TOYOTA and We may also Invite Ford & SAIC Motors.

In August 2023, We Invented Community System: COMMUNITY.BUSINESS™, which is NOT not-profit and neither Government Political. It is however about working with Our Current Economical Trade System, to intentionally employ All Employable People (momentarily ±60% unemployed) and not only that, also to employ them with Creative-, 'Living'-wages Jobs. Jobs for The Public, without need for an employer and neither own businesses.

How is this possible? More info: <https://community.business> & unitedholland.com

We have Quality Personnel (& Cargo) transportation on Our WISH LIST and TOYOTA may become Our Fleet Supplier.

In exchange We offer TOYOTA:

~Publivity™ C.S.R. System/Excellentor™ Membership;
~UNITED HOLLAND Elegant.Partners™ (Invite Only).

We ask TOYOTA an ±25% (minimum) Membership fee, which for TOYOTA (revenue from Forbes Global 2000) would be ±\$4.18B instead of ±\$16.74B.

We look forward to your response, Koji, and perhaps a Fruitful Relationship with TOYOTA.

Cheers,

Michael Roeten
